REMINISCENCES OF OUR PIONEER DAYS

Gleanings From the Records Left By Men Who Laid the Foundation of Our County.

While in the early days of this city Redwood creek was regarded as of considerable commercial importance, it was admittedly a dangerous water way for pleasure craft, especially for those of the sailing variety, and numerous serious casualties, many of them of a fatal character were recorded. One of the most serious of these, andone which deprived the county of the services of an excellent official occurred on the evening of November 5th, 1881. At the same time it developed a somewhat unusual spectacle of heroism, in the spectac'e of a prisoner sacrificing his life in an effort to protect the life of his keeper and the women and children who placed their dependance upon his care.

The scene of the unfortunate accident was at the union of Cork Screw slough with Redwood creek, near the cod fishery, a location that at this date is known to navigators of pleasure craft as the most choppy and treacherous section of the inland water. On this Sunday morning, with an apparently fair weather, Sheriff George W. Green, accompanied with his wife and two little daughters started from Redwood City in a small boat for a sale to the bay for an afternoon's outing. As an assistant in the management of the boat Sheriff Green took with him Henry Von Senden, a young man confined in the county jail for some minor offense, and it was this youth who sacrificed his life in the attempt to aid the man who kept him in confinement. The story of the disaster and the heroic efforts of the men was only maded public through the recitals of Mrs. Green following her rescue by Lon Cook and Fred Uhl, who had gone down the creek on a hunting expedition.

The party left this city about 10 o'clock in the morning, encountering fair weather until they had reached the exposed portions of the water near the bay. Here they encountered squalls and cross currents which somewhat alarmed the party and Mr. Green decided to return up the creek and not to risk the waters of the open bay. As the boat began to right herself after making the tack, one of the children slipped from the seat. Springing to save the child from apparent danger of falling overboard Mr. Green overlooked the danger to the little craft and his added weight over the side of the boat caused the vessel to capsize. The little boat turned completely over, resting on the water bottom side up, while all the occupants were left in the water.

Mr. Green and Von Su en gave their first attention to the safety of Mrs. Green and the children, who were finally placed safely on the flat bottom of the boat, which at that time was within a short distance of the shore. The two men then started to push the boat to land, but before this could be accomplished a very heavy sea washed all of the occupants of the bottom of the boat into the cold water. Again the sheriff and his companion made a struggle for the safety of those who were unable to aid themselves and after a long struggle succeeded in again placing them in a place of temporary safety. Mrs. Green was the last one to be placed on the boat and she saw that her husband was almost exhausted. She stretched out her hand to offer some support, but the unfortunate man had drifted beyond her reach. As Mr. Green drifted away from the reach of his wife, Von Sudden called to him: "Mr, Green, support yourself if you can and I will swim ashore and get rid of my coat and boots and return and carry Mrs. Green and the children to safety." These words were scarcely uttered when both men sank from sight for the last time, and the helpless woman and children were left alone, at the mercy of the waves and weather.

Fortunately the predicament of the unfortunates was discovered by Mr. Cook and Mr. Uhl, who were cruising the waters in search of duck. In their small boat the survivors of the disaster were taken to the fish house where they were they were cared for temporarily by the Chinese held at that place; After being revived the survivors were brought to town and the news of the tragedy soon spread. As soon as possible parties were organized to search for the bodies of the unfortunate men, and before the next morning both were recovered. Sheriff Green, who was a native of New Brunswick, was but 43 years of age. He came to San Mateo county in 1861, and resided here until his death, following several occupations, always with honor to himself. He was serving his second term as sheriff at the time of the deplorable accident. He was a member of the Redwood City Lodge of Masons and also of the Odd Fellows and Red Men, and his funeral was participated in by members of all these orders.

COSTLY ENGINEERING JOB IN TUNNEL.

The subterranean spring in tunnel No. 4 of the Southern Pacific Company's Bay Shore cut off, which for a time threatened to cause serious and perhaps disasterous cavens of this costly piece of enginering, was successfully capped yesterday. More than fifty thousand dollars have been expended by the Southern Pacific Company during the last several months in an effort to curb this leak.

The spring did not appear during the time of the construction of this tunnel and gave no trouble to the engineering department of the railroad until a few months after the seismic disturbance of 1906. Tunnel No. 4 was completed at that time, but it was noticed that the heavy reinforced concrete work bulged in several places. It finally gave way and revealed a large spring of water almost in the center of the tunnel. To overcome this was a long and tedious task that has just been completed. Exceptional engineering skill was required to effectively cap this well and several hundred men were constantly employed at the work for many months.

Seventeen minutes in time and four miles in distance are saved to the residents on the San Mateo peninsula by the Bay Shore cut off, of which the tunnels are a costly part. The cut off cost the Southern Pacific Company nearly $10,000,000 and close to 10,000 feet of earth and rock were bored through in order to complete the work and shorten the time for the peninsula commuters.

WOMAN'S CLUB WILL BUILD CLUBHOUSE

At the meeting of the Woman's Club Thursday, Mrs. C. E. Cumberson, the president, appointed the following chairmen of the committees that will be in charge of the club work during the coming year: Program, Mrs. G. Borden Yount; courtesy, Mrs. S. A. Wentworth; civic, Mrs. George H. Rice; hospitality, Mrs. J. J. Shields; decoration, Mrs. F. K. Towne, press, Mrs. A. W Collins; calling, Mrs. J. J. Read; by-laws, Mrs. Geo. Merrill; dramatic section, Mrs. L. M. Kirkpatrick; year book, Mrs. George C. Ross.

The flower carnival, which proved a great success, will be an annual function of the club, and Mrs. J. H. Mansfield will have charge of this feature.

A resolution was passed by which bonds will be issued for the building of a clubhouse in Dingee Park, and the work will soon be under way. An hour of music by Miss House followed the business meeting.

Pastor Parker Goes East.

Pastor Parker of the Baptist church started for the east yesterday. He goes directly to Philadelphia to attend the World Alliance and the Baptist convention of the North. He will then attend the twenty-fifth anniversary of his class at Brown University. After this he will make a lecture tour of several months through the east. During his absence there will be Sunday school but no regular preaching at the Baptist church. On his return the building will be thoroughly repaired and the work carried on with vigor.

SAN FRANCISCO

When riven by Earthquake and blasted by Fire,
The City beloved by the Golden Gate
Lay in ashes and ruins, a funeral pyre—
For the hearts and the homes that were desolate.
A wave of compassion swept over the land,
And great hearts with sympathy throbbing within,
Sent their aid and their succor from every hand,
Then one touch of nature had made the world kin.

Then arose in our midst, ever thursting for lust,
While the city lay bleeding and sore,
The Traitors, who dragged her fair name in the dust
And stabbed her poor heart to the core.
To the Father we plead, with hope almost dead,
While o'er us the dark clouds did lower,
That out of the gloom a hero would come,—
The man for the place and the hour.

Four years have passed, and the city at last
Has risen from out the mire,
And redeemed her fair name with honor and fame,
Dispelling the Earthquake and Fire.
Now the traitors must go, for His word hath it so,
And the thieves and the thugs sulk and cower,
And their crimes will soon cease, for the Chief of Police
Is the Man for the place and the hour.

He was weighed in the balance for many a year,
Devoting his life to the town of his choice,
Ever true to his trust, without favor or fear,
Every home-loving soul now has cause to rejoice.
Then arise, one and all, to your loved city's call,
And pledge with your pride and your power,
And give him your aid, with hearts undismayed,
He's the Man for the place and the hour.

Another Pioneer Gone to Rest

Benjamin F. Partee, an old resident of this county, died at the home of his son, A. Partee at Ravenswood last Saturday. He had been ailing for some time and his death was not wholly unexpected. The deceased came to the state with his parents when very young, crossing the plains in a prairy schooner undergoing much hardship on the trip.

When Mr. Partee arrived in this section of the state the Santa Clara valley was an expanse of territory which was bedecked only by tall and flourishing grasses and live oak trees. Only small settlements stood here and there and the most attractive features of the valley were the picturesqueness of this spot and the fertility of the land. He married while here, and later moved to Nicasio, in Marin county, where he followed the occupation of dairyman. Subsequently he returned to Santa Clara county and settled near La Honda in San Mateo county, where he remained until he moved to reside with his son, Ambrose Partee, who lives on the place commonly known as the Donohoe ranch.

Deceased's father lived until he reached the venerable age of 102, and was known for his enthusiastic loyalty to California.

Those left of the family to mourn his death are his son, Ambrose Partee, and his daughters, Mrs. C. M. Weeden and Grace Partee.

Deceased was born in 1837 in the state of Indiana and had passed 74 years of life.

The funeral of Mr. Partee took place from the Catholic church at Palo Alto Monday and the interment was in Holy Cross Cemetery.

NEWS GATHERED FROM THE COUNTY

Interesting Notes Picked Up By Hustling Reporters in the Country Districts.

There seems to be no inclination on the part of the law breakers who have beenoperating in the northern portion of the county of late to let up in their work. Last Thursday evening, while the family was temporarily absent the home of L. E. Gillim at Burlingame was visited by burglars who secured several hundred dollars worth of diamonds and jewelry. Although the officers were notified of the burglary as soon as it was discovered, no trace of the thieves has been found.

By the best ofgood fortune, San Mateo escaped a serious catastrophy last Thursday evening, when a fire started in the Building Trades Building. The fire started in the space between the ceiling and roof, apparently caused by defective wireing. At the same time a second fire started in the roof of Maple Hall, the adjoining building, where an entertainment was in progress. Good work by the fire department kept the flames in check and the fire was extinguished before it had assumed dangerous proportions. The audience in Maple Hall quietly passed out of the building when warned of the fire and no one was injured.

City Attorney John F. Davis of Burlingame was one of the speakers in favor of the location of the Panama-Pacific Exposition at Golden Gate Park at a recent public meeting in San Francisco.

Certain elements among the population of Daly City are developing an opposition to the prohibition of side entrances and private boxes in saloons of that town. According to the arguments, some of the saloons get the better part of their business from the patronage of funeral parties returning from the cemeteries, and it is argued that it is unfair to them to deprive them of this class of business.

Pupils of Sequoia Union High School Hold Annual Public Commencement.

CLASS OF 1911 GIVEN DIPLOMAS

President L. P. Behrens of Board of Trustees Delivers Instructive Presentation Address.

The fourteenth annual commencement of Sequoia Union High School was observed in the Alhambra Theatre last evening with appropriate exercises. The hall was crowded to the doors with parents and friends of the high school. The program prepared was an excellent one and the best that has yet been given by the school. The exercises opened with a half hour of chorus singing by the music section of the school. Professor Carrington had charge of this part of the program and he showed how carefully he had trained his pupils in the rendition of excellent music. Miss Fern Toothaker delivered the salutatory in a masterly manner, demonstrating careful preparation of the speach. The class oration was delivered by Clifton H. Woodhams. It was a splendid effort that would do credit to one of more mature years. Caroline Doxsee pronounced the valedictory in an oratorical way. Her essay was full of thought and delivered in a masterly manner. A vocal solo "Baby Pink and White" by Luella Behrens was well received.

The vocal solo entitled "Deep in My Heart, Beloved" by O. M. Carrington was heartily applauded. The commencement address by E. K. Johnson, editor of the San Jose Mercury, was a master piece, full of wholesome advice to the graduates and containing much thought and sparkling with wit and good humor. L. P. Behrens, president of the board of high school trustees, presented the diplomas to the following graduates and delivered the following well times and eloquent address.

Luella Behrens, Redwood City.
Florence Burdy, Redwood City.
Irene Davis, Redwood City,
Caroline Doxsee, Redwood City.

Clifton Woodhams, Redwood City.

Members of the Class of 1911: It is with especial pleasure that I convey to you at this time the congratulations of the Board of Trustees of this District on the completion of your high school course. It is always a pleasure to see young people complete the work prescribed for them in school and to know that they are prepared for the next step in life. Right here is a thought of vital importance, that of being prepared for the next step.

To what purpose would one pursue any course of training if it did not prepare adequately for some definite duty ahead? Nothing is more pitiful than the sight of an individual who is not ready for the opportunity or necessity which comes next, I would urge you to have a worthy and definite purpose constantly in view, and to see to it that each great decision in life leads to its accomplishment and that each thing finished places you nearer its realization.

The Board has kept close watch on your progress from the time you entered the high school, and now that you have finished the course of study it is only too glad to give you diplomas in recognition of your attainments.

I hope that you will pardon a personal word at this time. To me this is the best commencement we have ever known in Redwood City. This district Was organized on August 24th, 1895, and so is now nearly sixteen years old. Sequoia has always been an object of pride in my life. Like most things which we cherish Sequoia is one of the things I have worked hard to strengthen and foster. This district was organized on my birthday so we can celebrate together. The seven districts which were included at first have been increased to eight. This is the fourteenth class to complete the work of the high school. I am kd to rejoice in special measure tonight, because among the number now on the platform is my only daughter. I together with Mr. James Crowe circulated the petition for the organization of this high school district, and when the first class graduated in 1898 she gave out the diplomas. It is therefore with especial pride and joy that I am able to present her with a diploma from the Sequoia Union High School tonight.

Sequoia has held an honored place on the accredited list of both Stanford and the University of California for a number of years, and her graduates have given a good account of themselves in the universities and normal schools to to which they have gone.

Our school was organized for the purpose of aiding young people to prepare for lives of usefulness and for better citizenship. In both these purposes she has been successful and we point wiith pride to the many young men and women who are numbered among the graddates and who have taken their rightful places in the greater life of the world where the years of preparation in school have borne fruit in a higher standard of usefulness for themselves and for the community.

May the same high standards be yours and may the passing years find you better prepared and more ready to render the service which your companions so much need.

The French have an expression "Nobless Oblige" which translated means "high rank imposes obligations." I would have you realize your obligations to this school, to your teachers and to this community for the opportunity which will be yours because of your school training—give back to the world the benefit of your higher attainments. Lend a higher dignity to the citizenship because you have been enabled to see life from a more lofty vantage ground. Make your community and companions happier because of the deeper and richer blessings which your school life has brought you.

The State exacts no remuneration for the expense you have caused but it has a right to expect that you will be generous with the things you have learned or the possessions you may gain because of your superior preparation for your life work.

In closing permit me to call to mind a quotation from Shakespeare which you have studied in your classes and which contains a vast store of helpfulness for your guidance: "To thine own self be true. And it must follow as the night the day, Thou canst not be false to any man." Be true to the great trust which is the heritage of the prepared, the maintenance of the state and the assistance and elevation of all mankind.

If you do this Sequoia will be proud to own you as her children, and you will have repaid this district for its expense and care.

It is with the best wishes of your teachers and of the board of trustees that I now present you with your diplomas of graduation.

REDWOOD BUSINESS MAN IS HONORED

R. F. Chilcott is Selected for Secretary at Convention of Record Searchers

R. F. Chilcott, secretary of the Abstract of Title Company of this city, who is among the most progressive title men of thestate was highly honored at the convention of the California Land Title Association held at Fresno this week, when thatbody elected him as its secretary. Mr. Chilcott has been one of the moving spirits in that organization since its inception five years ago. And while San Mateo should appreciate the honor bestowed upon one of its citizens by a state wide organization, the local business associates of Mr. Chilcott feel that the Association has made a wise selection.

Mr. Chilcott states that the Association had a well attended convention, representing the foremost title men of the state, and much good was accomplished. The main purpose of the organization is to assist each other in endeavoring to give thepublic a better class of work for the compensation paid for title work. In this profession California ranks second to no state in the Union.

Improvement Club States Objects.

Announcement to the public by the Redwood City Improvement Association:

It is a matter of universal history that little of permanent worth to a community can be accomplished without cooperation. It has ever been so, and in the nature of things it must ever be. Bearing in mind the foregoing, the Redwood City Improvement Association was organized in December, 1910.

Its members believe that by healthy, steady growth in numbers, and by conscientiously weighing in the balance every vital problem of civic welfare before passing judgment and then vigorously backing its opinions, it will become a permanent factor for good in the upbuilding of this municipality.

It shall at all times strive towards the ideal of becoming the forum in which every question affecting the social and material welfare of Redwood City can be discussed impartially and in which none need fear to express an honest opinion.

Strictly non-political in its desires, yet it will not shirk its duty should necessity arrise. Believing in the adage "let the office seek the man," none of its members has cast his fortunes with it for the sake of personal preferment.

Its aim shall at all times be to further any movement which gives promise of being of constructive value to the community and add to the comforts of the people as a whole.

Believing that the schools, next to the home, are the most potent factor in the creation of wholesome social surroundings and the development of good citizenship, it will strive to guard with jealous care the well being of the rising generation attending the public schools of this community.

The Association extends the hand of fellowship to all in sympathy with its aims and ideals, as it is only when the right-minded citizens of a community stand together that the best results emanating from organized government, either in a social or material way, can be realized.

The following officers were elected: M. A. Felton, president: Henry Butts, vice president; R. S. Dodge, secretary; F. S. Sears, treasurer.

Splendid Postal Record.

Under an order issued by the postoffice department Wednesday, 120 postmasters of California will receive an increase of salary, beginning on July 1st. Most of them get an increase of $100 a year, and a few are raised $200. Among the four raised in the state is RedwoodCity. This certainly shows that Redwood City is forging ahead rapidiy. South San Francisco was raised $100. No other office in the county received an increase, while Halfmoon Bay was decreased $100 and Burlingame $200. Postmaster Price feels proud of the record as also do the people of RedwoodCity.

A Hot Game Tomorrow

Redwood will play San Mateo on the local field to-morrow and the most exciting game of the season may be expected. Redwood lost the first game oat San Mateo by a score of 3 to 2, but the local boys are confident ofturning the tide.

REGULAR SESSION OF COUNTY BOARD

Supervisors Pledge Special Tax for County Exhibit at Big Exposition.

PLACE LIMIT ON CEMETERIES

Ordinances are Adopted Restricting the Number and Location of Burial Places

The board of supervisors held an important meeting last Monday In the absence of P. H. McEvoy, who was present at the afternoon session, Supervisor W. H. Brown was chosen temporary chairman.

A communication was received from C. E. Whitney asking that the county apply for space for county exhibits at the forthcoming state fair to be held at Sacramento.

Brown explained that the reason for Whitney's communication was because he had been unable to secure a suitable location for his own exhibit, being relegated to some obscure part of the display section. He thought that the county should secure a space where Mr. Whitney and other exhibitors would be able to show the product of their industries to advantage.

It was, on motion of Blackburn, seconded by Francis, ordered that the clerk make application to the fair managers for a suitable space.

Joseph D. Grant, A. Stern and D. N. Walters, members of the Panama-Pacific exposition directors, accompanied by Geo. C. Ross, their attorney, appeared before the board. Mr. Ross read the following resolution which was unanimously adopted:

"Whereas, the board of supervisors of San Mateo county has at all times been enthusiastically in favor of holding the Panama-Pacific Exposition in 1915 in the City of San Francisco; and

"Whereas, soon after it was determined that such exposition should be held in San Francisco it was brought to the attention of said board that there was no authority in law for the levying of taxes for the purpose of raising funds for making exhibits at such exposition by the several counties in this state; and

"Whereas, immediately after said matter was brought to the attention of this board it adopted a resolution, favoring the enactment of a statute authorizing the levying of such taxes and appointing a committee to present such matter to the legislature of the State of California; and

"Whereas, after said matter being so presented, a bill was introduced by Hon. Henry Ward Brown, member of the Assembly from San Mateo county, to amend the Political Code and give to the boards of supervisors of the several counties of the state authority to levy a special tax for the purpose of raising funds for making exhibits at such exposition, and which said bill was thereafter passed by the legislature and approved by the governor, and is now in force:

"Now Therefore, Resolved, that in order to show the continued desire and intent of this board to provide funds for, and to make, a proper exhibit at such exposition, that this board here and now assures the president and directors of the Panama-Pacific Exposition Company that it will, in due time, levy a tax in accordance with such act of the legislature to provide funds for a proper exhibit, and will make such exhibit, on behalf of said County of San Mateo; and

"Resolved further, that the clerk of this board be, and he is hereby, directed to forward a copy of this preamble and resolution to Hon. C. C. Moore, president of the Panama-Pacific Exposition Company."

The following applications for liquor licenses, having been given a second reading, were granted:

First township—John Biggio & Son, Colma; J. B. Demartini, Colma.

Third township—Robert Franck, Woodside.

The following applications for liquor licenses were read and will be acted on a month hence:

Third township—Chas. W. Right, Dumbarton Oaks; Ravenswood Investment Co., Ravenswood.

Fourth township—P. P. Quinlan, Halfmoon Bay; A. Boitano, Halfmoon Bay.

Fifth township—H. Frey, Pescadero; Edith Packard, San Gregorio; F. S. Duarte, Pescadero.

First township—John Birchle, Colma; Matt Callan, Colma; G. G. Ramaciotti, Colma; New California Jockey Club, Tanforan; Corbett & Burke, San Bruno; C. Coakley, Colma; W. R. Markt, San Bruno Road; A. J. Wulich, Colma; M. and S. Belli, Colma; Ellie Allemond, Visitacion.

Second township—A. DeRoche, Belmont; Milton A. Rand, Laguna; F. A. Levy, Belmont.

A protest was filed against the granting of a license to John Olsen of Farallone City. This matter will be heard by the board at its next meeting.

The awarding of a contract for a concrete bridge in the Fifth district, postponed at a previous meeting on account of the absence of Supervisor Blackburn, was taken up. One bid was received, that of Mitchell & Savage, for $1850, specifying $14 per yard for extra concrete and 30 days in which to complete the work.

The bid was accepted on motion of Blackburn, seconded by Casey, and the chairman authorized to enter into contract with Mitchell & Savage on behalf of the county.

The controversy between the City of Hillsborough and Supervisor Brown was laid over until afternoon.

The game ordinance, discussed at the last meeting was postponed until the next meeting.

Ordinance No. 244, regulating the number, location and enlargement of cemeteries in the county was adopted, Brown voting "No."

Ordinance No. 245, regulating the number and location of crematories in the county was adopted, Supervisor Brown voting "No."

Hall C. Ross stated that it was his intention to apply a the next meeting on behalf of Mount Olivet Cemetery for permission to establish a crematory at that burial place. He said that it would be strictly modern and sanitary.

John F. Davis, the attorney for Burlingame stated that there was $600.60 in the Easton lighting district which should be turned over to the Burlingame treasurer, that city having been annexed by Easton.

The district attorney was consulted in the matter and advised the board that the money claimed by Burlingame and all future money that may be paid to the Easton lighting district should be turned over to Burlingame.

A resolution to this effect was adopted on motion of Casey, seconded by Blackburn.

Mr. Davis further informed the board that there was due the City of Burlingame from the First road district $1542, which money was collected from the tax-payers residing in the annexed Easton district.

The matter was passed up to Mr. Casey who will come to an agreement with Mr. Davis as to the merits of the claim.

The invitation of H. C. Tuchsen, on behalf of the San Mateo County Development Association, for the board to dine with the board of governors of the association was accepted.

Three bids were received for building tthe Woodruff bridge in the Third township. The clerk reported that one of the bids was received at 9:45, one at 10:03 and one at 10:25.

The chairman asked if there were any objections to the consideration of those bids that had arrived late.

Assessor's Instructions

To Owners of Real Estate and Personal Property.

The law requires each and every person who owns any class of property to annually, during the months of March, April or May, file a statement with the Assessor or his deputy in the county where his property is located. You should give a statement of all property owned by you on the first Monday in March at 12 o'clock m.

If you hold mortgages against others send in a mortgage statement showing amount due on each mortgage on the first Monday in March ot 12 o'clock m.

No change can be made by the Assessor after he turns over his books to the Board of Supervisors on the first Monday in July. The Board then sets as a Board of Equalization during the month of July.

Remember, if you fail to give in your assessment you fail to comply with the law and may cause yourself, the Assessor and Tax Collector much trouble, and very likely cause yourself expense.

It is much more satisfactory to the Assessor as well as to yourself, to have your assessment correct when you go to pay your taxes.
